As she turned the pages, she read about her grandmother's life - how she had learned to forgive others, even when it was hard. One story stood out to Sarah. But instead of staying upset, her grandmother chose to forgive.</p> <p>Reading this, Sarah felt a deep respect for her grandmother and realized how important it is to respect elderly people. Many entries also include synonyms, which are words that mean the same or nearly the same thing.</p> <p>In a paper dictionary, you can also find abbreviations and acronyms.
